NvMSDC CERTIFICATION PROCESS

Congratulations on your decision to become certified with the Nevada Minority Supplier Development Council (NvMSDC)! Certification with the NvMSDC is an important step for any minority-owned business. The following section will explain the certification process and assist you in completing the NvMSDC MBE certification application. Please see below to learn more:

Certification Process

Step 1. Complete the NvMSDC Certification Application. Please read the Certification Criteria to ensure that you may meet the National Minority Supplier Development Council's (NMSDC) minority qualifications.

Step 2. Completion of certification process takes no less than 45 days and no more than 90 days if you have completed followed all of the details from the certification process and application checklist.

Step 3. Submit certification fee with completed application. (This fee is non-refundable)

Step 4. **All applications received by the Certification Manager will be immediately placed in a new file folder and forwarded to the President and the committee for review. An application remaining incomplete thirty days (30) days following the date of receipt of non-refundable fee will result in the stoppage of your certification process. Re-application is permitted one year after the end your initial certification process. The certification fee is non-refundable at this point.**

Step 5. Upon receipt of a completed application and **all attachments**, the certification committee will review the application. The certification committee meets once a month to review all MBE certification applications. Corporate Members of the NvMSDC make up the certification committee. After the committee reviews the application and are satisfied with the information provided the file is forwarded to the Certification Manager to setup a site visit. The site visit will be scheduled and completed at your corporation's headquarters with the majority owner(s).

Step 6. All completed applications with completed site visits will be presented to the Board of Directors for approval or denial.

Step 7. Upon approval, certificates of MBE certification will be issued from 45-90 days after completing application. Please understand that an application **is not** complete until the certification manager has received all documents, therefore your 45-90 days will begin at the time all documents have been received.
